

## Insurable Earnings Under the QPIP and Pensionable Earnings Under the QPP of a Person Responsible for a Family-Type Resource or an Intermediate Resource

Complete this form if, in a given taxation year, you were responsible for a family-type resource or an intermediate resource and you received in your principal residence a maximum of nine users entrusted to you by one or more public institutions referred to in the *Act respecting health services and social services*.

Using this form, you can determine the amount of insurable earnings used to determine your premium payable under the Québec parental insurance plan (QPIP) and the amount of pensionable earnings as a family-type resource or an intermediate resource used to determine your contribution to the Québec Pension Plan (QPP).

A duly completed copy of this form must be enclosed with your income tax return. Note that if another person is also responsible for the family-type resource or intermediate resource, each of you must duly complete a separate copy of the form and file it with your respective income tax return.
